

**CURRENT ADD-ON SEARCHES**

Founded in 1999, Rockwood Equity Partners is an operationally-focused investment firm serving the lower middle market. We invest in corporate divestitures/carve-outs, as well as privately-owned manufacturers, value-added distributors and industrial services companies. Situationally, the companies we partner with often have leading shares in their respective niche markets and are seeking transformational change, or may have more complexities to their business situation or transaction. We have deep expertise serving industrial businesses and businesses in regulated industries, including aerospace & defense, healthcare and process control.
