Company Founders and Leadership on Partnering with Rockwood

“A partnership with Rockwood is a perfect strategic fit for SYNEO...We are particularly excited about partnering with Rockwood’s River Guide network to open new doors and accelerate our growth in the coming years.”

Tyler Wackman, SYNEO CEO

Welcoming Rockwood as a partner is especially gratifying for me,” he said. “I first met Brett Keith, Rockwood’s co-founder and Managing Partner, about 25 years ago when his father, Ron, and I were partners in a very successful pharmacy venture. Ron’s keen business savvy, strategic vision and values are ‘inter-generational’ and clearly reflected in Rockwood’s personnel and culture. We are delighted to be joining the Rockwood family.”

Tim Burfield, Lifeway Mobility Chairman

“We need the right partners to help us take the company to the next level. Teaming with Rockwood...allows our founding management group to hit the ground running and execute the strategic plan we have developed together.”

Todd Tholkes, Founding Family Member and CEO of Altimate Medical
